To analyse the choices people may make in a situation and why this may be,

Give evidence/ reasoning to support my decisions.

To predict the consequences (positive and negative) of a decision.

Books

- **Making good choices – Sally Huss**

Knowledge

By the end of this topic you will learn:

- That making choices comes with consequences, and these can be both positive and negative.
- Not everybody will make the same choice, and to think about the reasons for and why this may be.
- To understand that making a decision comes with analysing the impacts of that decision for me and the people involved, in order to make the right choice.

What I should be able to do and know now.	Growth Mindset Strategies	What I will know and be able to do at the end of the topic.
<p>Knowledge:</p> <ul style="list-style-type: none"> • To know that sometimes we have choices and we have to make a decision. • To know what I would do in a situation and why this may be. • To know that it is important to listen to other people involved in the decision making. • Some choices are good and some choices are bad. <p>Skills:</p> <ul style="list-style-type: none"> • To listen to other peoples' points of view on a situation. • To choose an option when given a choice. • Describe how someone might feel in a situation. 	<p>If I find something challenging I can:</p> <ul style="list-style-type: none"> • Look back at the information I have been given. • Ask a friend if they can help me. • Use a diagram or text book. • Look at the example the teacher gave me. • Discuss what other people in my group think. <p>What I will be learning</p> <ol style="list-style-type: none"> 1. That making choices impacts other people and not just me. 2. Choices come with consequences that can be positive and negative. 3. To make a good choice I have to think about the consequences that choice will have for me and the other people involved. 4. A conflict is when there is disagreement and this can make a choice hard to make. 5. Making the right choice is important and the right choice will have positive consequences. 	<p>Knowledge:</p> <ul style="list-style-type: none"> • Good choices have _____ consequences. • Bad choices have _____ consequences. • To make a choice I must consider the c_____ for both me and other people involved. • Can you describe a situation where you made a good choice? What were the consequences of this choice? • Can you describe a situation where you made a bad choice? What were the consequences of this choice? <p>Skills:</p> <ul style="list-style-type: none"> • To see a situation from other peoples' viewpoints, to assess the consequences for all involved. • To analyse the consequences of a choice to decide on positive and negative choices. • Explain my reasons/ justify a choice I have made and why I believe this is a good choice for the situation.
