E-Safety – key principles for engaging parents with Online Safety

BUILD PARENT CONFIDENCE

Provide parents with additional advice through newsletters, the school website or an open door policy for parents to share concerns.

SUPPORT THE POSITIVE USE OF TECHNOLOGY

Promote the use of free resources such as Scratch and Scratch Jnr to encourage children to be creators of content at home, not just consumers! Are there activities that you could enjoy as a family?

DEVELOP BOUNDARIES FOR THE WHOLE FAMILY

Provide information on appropriate amounts of screen time, limiting tech at bedtime and mealtimes and age-appropriateness of games and films.

MODEL APPROPRIATE USE

Encourage parents to model positive behavior online and in and around school to reinforce positive behaviour in children.

Reception class had a great Mudlarks beach school session on Wednesday at Boulmer. The sun was out [to begin with] and shell hunting was in order! This was followed by rock pool exploring and beach art, before they had free play which saw great sorting and classifying ☺
