

<b>TERM:</b> Spring 2 2019		<b>CLASS:</b> Year 3	<b>TOPIC:</b> Prehistoric Britain
<b>ENGLISH:</b> Aiming to inspire children to read and write like an author, English will be taught through a love of books and will cover various aspects of fiction, non-fiction, poetry, spelling, punctuation and grammar (SPaG) during the term.		<b>MATHEMATICS:</b> Will be taught in an exciting, motivating and interactive way for children to become competent mathematicians developing skills in mental calculation, using and applying number, measures, shape and space and data handling. Times tables will also be a focus.	<b>SCIENCE:</b> Digging deep to unearth a fascinating view of rocks, soils and fossils above and below ground. Children will find out about different rocks and what they can be used for, explore a variety of soils and find out how they are formed, discovering a world of fossils and undertaking a variety of science experiments
<b>COMPUTING:</b> Through the reading of Fantastic Mr Fox, children will explore a series of tunnels that helps them understand the complicated system of computer networks, identifying how computers networks, including the internet can provide multiple services.		<b>HISTORY:</b> A journey through a million years of prehistory. Starting with the Stone Age and going right through to the end of the Iron Age, children will discover how humans first came to Britain, how they lived and what developments were made in each era.	<b>GEOGRAPHY:</b>
<div>  <h2>Fun, Respect &amp; Friendship – Every child matters to us</h2> </div>			
<b>LANGUAGES [FRENCH]:</b> Children will be looking at how to introduce the different members of their family in French. Building on previous knowledge and language, children will add the necessary vocabulary to introduce their father, mother and other family members.		<b>P.E.:</b> Quicksticks [junior hockey] and swimming. Every week the children will take part in 2 hours of PE as part of the curriculum. Children will develop technique in their swimming stroke. They will be introduced to quicksticks and team work through game play.	<b>R.E.:</b> A mix of stories, information, images and questions, children will enable children to explore and learn about Passover, Sukkot, Purim, Hannukkah and Rosh Hashanah and how each of these festivals reveals and explains Jewish beliefs and teachings.
<b>MUSIC:</b> We will have a specialist teacher coming into school to teach us how to play the violin. We will learn basic chords and songs. We will also be learning new songs in a weekly assembly.		<b>ART &amp; DESIGN:</b>	<b>DESIGN &amp; TECHNOLOGY:</b> Generating ideas through discussion, we will design and build a functional (on a small scale) Iron Age round house. Using a bradawl, hand drill and hacksaw, children will create a frame from upright wooden posts (dowelling), before wattle and daubing their walls.
