P.E. Governor's Report 2016-2017

written by Mrs Jean Burroughs

Background: September 2016 saw Shilbottle First School begin its transition to Shilbottle Primary as part of the restructure of the Alnwick Partnership Schools. In 2016 – 2017 Year 5 were the oldest year group but to offer all of our Key Stage 2 pupils access to high quality Physical Education the Head teacher decided to appoint a specialist P.E. teacher for one day a week which resulted in the appointment of Mrs Burroughs.

During the academic year, 2016-2017 I have strived to continue to deliver high quality Physical Education across KS1 & KS2 and to increase physical educational sustainability at Shilbottle Primary. I hope that my efforts will help the pupils to develop not only their physical literacy skills but lifelong learning skills, such as teamwork, communication, collaboration, emotional and social well-being.

The new curriculum map which I introduced during the last academic year has proven to give all pupils the opportunities to access many activities; ensuring inclusion and diversity. I believe that the new P.E. curriculum has enabled the pupils to not only develop their lifelong learning skills and begin to achieve physical literacy but it also enhancing the pupil cognitive skills. I am beginning to see pupil's teamwork, communication and resilience skills developing through their P.E. lessons particularly during small sided games and intra-house competitions.

Through the delivery of engaging and fun lessons I hope to develop their knowledge and understanding in the importance of an active healthy lifestyle while giving them the opportunity to perform in competitive situations through intra-school and house competitions. The P.E. extra-curricular programme enables all pupils to access regular club participation in many activities giving opportunities to develop sport specific skills.

The teaching and learning in P.E. is an area I have focused on developing this year. I am working with individual staff to increase confidence and competence in using a variety of teaching and learning styles.

Below are listed the strategies I have put into place since September 2016 to achieve impact and sustainability:

- Continued delivery of high quality P.E. to enable every pupil to gain the confidence to achieve new skills and develop a variety of roles within P.E.
- Diverse P.E. curriculum to achieve sporting success and experience new activities.
- To continue to increase engagement in P.E. for all pupils.
- Development of pupil's physical literacy.
- Development of knowledge and understanding encouraging pupils to lead active healthy lifestyle.
- Continued development of positive sporting values through P.E. curriculum.
- Embedded participation in competitive sport through intra-school competition and inter-school competitions throughout the academic year 2016-17.
- Continued to increase sporting success in competitive sport.
- Increase opportunities to participate in local sporting festivals and competitions across all year groups.
- Increase inclusive opportunities for sporting clubs: afterschool sports clubs.
- Development of opportunities for participation in informal lunchtime activities lead by the Sports Crew.
- Increase opportunities for all pupils to participate in a broad range of sporting clubs.
- Continue to Increase numbers participating in extra-curricular clubs.

- Increase opportunities for target group pupils to engage in C4L clubs/ Sports Leader lunchtime activities.
- Increased links with local clubs: Alnwick Rugby Club, Cricket, Alnwick Tennis Club, Alnwick Harriers, Felton Football club and Karate via delivery of extra-curricular clubs.
- Delivery of community programmes during curriculum time through local club coaches, Alnwick RFU club.
- Staff P.E. development time to assist in joint planning and delivery.
- Continuous development of staff P.E. resources in increase staff knowledge & confidence in planning and delivery.
- Continuing to Increase the profile of P.E. in school via social media.
- Continually developing Cross curricular links via PBL.
- Developing Student Voice and Sports Crew (Sports Leaders/ Sports Captains) giving opportunity for pupils to participate, lead and organise.
- Continually developing School website and parent links.
- Developing community links - Active Northumberland and The Duchess's High School
- Award of SILVER Sainsbury's School Games.

Vision for 2017-2018

- Continue to develop staff confidence and knowledge and understanding in their planning and delivery of P.E.
- Develop opportunity further for G&T pupils and provide an increased level of competition to continue to develop their performance levels.
- Continue to develop further inter-school competition/matches with local Primary Schools in the Alnwick Partnership for all pupils including G&T pupils.
- Continue to develop festivals for all key stages.
- Introduced daily break time activity bursts across the school lead by the Sports Crew.
- Further develop Assessment Criteria for new National Curriculum.
- Further develop informal lunchtime activities with Sports Crew leading.
- Work closely with the Sports Crew to develop and target Healthy Lifestyles.
- Introduce lunchtime and after-school clubs for target groups.
- Develop intra-school house competitions half-termly with Sports Crew involvement
- Continue to develop new links with local clubs to increase pupil involvement.
- Develop cross-curricular links with literacy, numeracy and STEM.
- Continue to develop new paths links with PBL.
- Continue to develop pupil success in Level One and Two in Sainsbury's School Games.
- Further develop KS2 links with The Duchess's High School for Year 6 transition.

I have found my first year at Shilbottle Primary rewarding as I have continued to see both pupils and staff respond to my initiatives and suggestions in a positive manner. I continue to enjoy the opportunities that this new role has given me and I look forward to seeing the impact that my vision will have on the P.E. at Shilbottle Primary.
