E-SAFETY... Have you heard about ... Fortnite?

Please read the Fortnite Factsheet which has been sent separately

Fortnite is an online video game where players compete to be the last person standing in a post-apocalyptic world. The most popular version is Fortnite: Battle Royale, which sees up to 100 players pitted against each other to stay alive on an island. Players can build and demolish structures, and collect weapons, supplies and armour to help them along the way.

Players shoot each other using a range of lethal weapons, but the brightly-coloured, cartoon-style graphics and lack of bloodshed mean it doesn't feel too gory or graphic.

To play, the age recommendation is **12 and above** due to 'mild violence', although you don't have to provide your age when creating an account, so younger children can still log on easily.

Fortnite: Battle Royale is **free to download** on PC/Mac, Xbox, Playstation, Nintendo Switch and iOS devices (Apple phones and tablets). It's coming to Android soon.

It has about 45 million monthly users worldwide including the England football team, who reportedly played it in their World Cup downtime.

Year 6 pupils have had a week of firsts and lasts ... they have shared their memories and early photos in their leavers assembly, they have been to the beach for a transition event with Ellingham Primary [and Mudlarks] and finally they have had their leavers disco at the Plough.

They would like to say a **HUGE** thank you to Mr Parnaby and Mr Gray for organising these events for them.

The PTA came into school today to announce the winners of their logo competition [Amelia S & Nancy M] and world cup predictor competition.

Well done to every winner!
