E-Safety : What is the Impact of Social Media in Schools?

Social media can be beneficial when it comes to schoolwork. It gives students the opportunity to collaborate and discuss things, such as if they're stuck on a homework task, and they develop more familiarity with computers and other pieces of technology. However, there are a number of risks associated with it:

Bullying. Bullies may use their personal accounts or hide behind an anonymous persona to target others. They might send nasty and abusive messages, share embarrassing photos and secrets, or deliberately leave someone out of an online chat.

Distractions from lessons. Students may spend lesson time on social apps on their phones, which distracts them from their work. This reduces their concentration and could lead to lower academic performance.

Reduced social skills. The more time teens spend on social media, the less time they spend interacting with their friends face-to-face.

Sharing personal information. Groomers often use social media to target their victims, so students should never talk to someone they don't know and share their personal information. Furthermore, they must be cautious of sharing certain images that can be dangerous if they fall into the wrong hands.

Making inappropriate comments. Students should know that what they say online can have repercussions in later life. Many employers look at an applicant's social media accounts before they offer them an interview. A stupid comment could therefore cost a student their dream job further down the line.

ARE YOU ENTITLED?

**Free
School
Meals**

Are you entitled?
HAVE YOU APPLIED?

Our second TAG RUGBY team also played extremely well and enjoyed the challenge 😊 A great introduction to the game ...watch out for the next competition!

GOAL

Match Report

Friday 9 November

Shilbottle v Swansfield

Last week saw our third [and very chilly] league football match of the season for our U11 team.

The game saw our boys and girls give another superb team effort and they never gave up even when the opposition scored! The final score was 4 – 1 to Swansfield 😊 Their next match is in March. **Man of the match – Noah Handyside** 😊

Tuesday, 18th December 2018

Reception – Year 2 Nativity

2:00 pm @ School

Year 3 – Year 6 Carol Service

6:00 pm @ St James' Church

PLEASE download the **PARENTMAIL** app for your phone [if you haven't already]

School regularly use it to send you important letters and messages. We had several children whose parents had been sent letters about team selection last week and their ParentMail had not been opened/checked so their children were unprepared for the activity ... 😞

Remember ... Keep checking our School Website Facebook & Facebook Pages 😊
