

TERM: Summer 1 2019	CLASS: Year 2	TOPIC: Various
----------------------------	----------------------	-----------------------

ENGLISH: In Literacy, we will be looking at recounts, focussing on diary entries. We will also be writing quest and adventure stories and looking at our favourite poems. This term we will also be doing our SATs. The children will complete two reading comprehension tests, two writing tasks and a Spelling, Grammar and Punctuation test.	MATHEMATICS: Our focus this half term will be measure, time, problem solving and revisiting methods for calculation in preparation for SATs. Children will complete an arithmetic paper and a reasoning paper.	SCIENCE: In Science we will be looking at exploring everyday materials. We will look all the different materials and look at the uses of different materials for different objects and the same objects.
COMPUTING: The children will be looking at branching databases. We will look at sending and replying to e mails, attachments to e mails and organising information electronically.	HISTORY: This half term we will be studying Castles. We will look at why castles were built, defence mechanisms of castles and how castles changed over the centuries.	GEOGRAPHY: We will be looking at the weather in the UK, identifying seasonal and daily weather patterns.

Fun, Respect & Friendship – Every child matters to us

LANGUAGES [FRENCH]: Not applicable in Key Stage 1	P.E.: The children will have tennis with Grant and cricket with Tom. Please ensure children have a PE kit in school at all times, including warm clothes and outdoor trainers as they will go outside for PE when the weather permits.	R.E.: We will look at Buddhism, including the origins of the religion, how Buddhists live their life and how and where they worship.
MUSIC: Our topic this half term will be looking at composing, including making sounds to reflect a topic, using symbols to record long and short sounds and evaluating our own and other people's performances.	ART & DESIGN: In Art we will look at Paul Klee, in particular his work of art 'Castle in the Sun'.	DESIGN & TECHNOLOGY: In DT we will be making a story book using an adventure stories incorporating a simple mechanism, such as a lever or a wheel.
