## E-Safety

### 25th - 29th September 2017

Pupil Voice Week is designed to encourage primary and secondary schools to raise awareness of key issues, such as bullying, cyberbullying, racism, mental health and e-safety issues which children and young people may face on a daily basis.

This year the theme is 'It's Your Voice'. The aim is to celebrate the diversity and individuality of The Pupil Voice, encouraging pupils to use their voice be themselves and create positivity for those around them.
