Monday saw

Ceilidh Band have 27 pupils from 5 school join together at Shilbottle Primary to make music and meet new friends 😊 **ALL** pupils from Year 2 upwards are welcome to come along every Monday night 3:15 – 4:15 and join in.

The **NEXT CEILIDH BAND** after school club is **Monday, 20 MAY** 😊 See you there ...

STAR OF THE WEEK

RECEPTION: Amelia G

YEAR 1: Charlotte M

YEAR 2: Ethan C

YEAR 3: Harriet M

YEAR 4: Violet G

YEAR 5: Ellie D

YEAR 6: Nancy M

PRESENTATION AWARD

RECEPTION: Crystal E

YEAR 1: Rhys C

YEAR 2: Jacob O

YEAR 3: Layla P

YEAR 4: Charlie F

YEAR 5: Lucy S

YEAR 6: Freya T

After School Clubs for Summer 1

Monday	Karate – all year groups
Monday	Ensemble – Y2, Y3, Y4, Y5, Y6
Tuesday	Strike & Field – all year groups
Wed	Let's create – all year groups
Thursday	Rugby – Y3, Y4, Y5, Y6
Friday	Rounders – all year groups

OUR SCHOOL UNIFORM

Please remember that our every day school uniform is a yellow polo shirt, red jumper or cardigan or hoodie [Y5/6] *ideally with the school logo on*, dark shorts or trousers [no jeans or leggings] or a red check summer dress, with black school shoes 😊 Please remember that your child keeps growing and sometimes the uniform might be too short or too tight! *P.E kit: red t shirt; black shorts, trainers*

HEAD TEACHER AWARD

KS1 – Libby T

KS2 – Archie B

ATTENDANCE WINNERS THIS WEEK

Y6 CLASS

Remember ... Keep checking our School Website Facebook & Facebook Pages 😊

PLASTIC POLLUTION @ Beach School

Last week, our Year 5 pupils joined up with Warkworth Primary and Mudlarks to learn about plastic pollution. They went to Alnmouth beach and sadly found lots of small bits of plastic and polystyrene, nets, fishing line, cotton buds galore, shoes, and dog poo bags as well as plastic shotgun cartridges 😞 Everyone was interested, creative and enthusiastic but saddened by the effect of plastic in the oceans on marine life!

QUADKIDS – Monday, 29 April 2019

An excellent attitude was seen by all in the School Games Qualifier Competition – throw, jump, sprint & distance. Our Y5/6 team came second while our Y3 4 team came first in the Alnmouth round – our Y4 boys are the fastest 4 😊

at the minute. We just have to wait for ... the Berwick results!

Friendly Frogs Pre School Nursery

Do you have a child or know someone who does [aged 2 – 4 years] who is ready for Pre-School Nursery? A small number of spaces are available so ... call in and have a look!

Children younger than 2?

Have you put their name on the Friendly Frogs waiting list to secure their place?

The sun is coming out ... we're hoping it stays ... but please remember to pop a waterproof jacket in their school bag so it's there when the weather decides to change!

Please remember to wear black school shoes and not open toed sandals / crocs – they're not safe for the school yard.

If the sun is out please remember to apply sun cream to your child BEFORE they come to school – please DO NOT send sun cream/spray into school – there are children who may have an allergic reaction if they come into contact with sun creams.

Shilbottle Primary Newsletter

Live streaming is the term used to describe the broadcast of a real time video from a mobile device, tablet or games console. Many live streaming apps have functionality for interactions from viewers, such as commenting, live chats and sending reactions during the broadcast. Live streaming opens up a world of excitement for children, where they can watch live concerts, their favourite celebrities and bloggers/vloggers, connect with their friends, watch live gaming and much, much more. Whilst there are many positives with live streaming, it creates a worldwide platform for unsuitable content to be streamed and creates a host of dangers for children.

98%
of child sex abuse
live streaming victims
are **13 or under**

What parents need to know about LIVE STREAMING

SIGN UP PROCESS & AGE RESTRICTIONS

Most live streaming apps have an age restriction of 13 and above. It is important to note that some platforms do not require proof of age when signing up to the app, meaning that anyone can register for an account. This also opens up the opportunity for people to lie about their age to seem older or younger.

WHO IS WATCHING YOUR CHILD?

If your child's privacy settings are not set up effectively, anybody can be watching their live streams. One of the main characteristics of live streaming is its ability for videos to be instantly shared all over the world, but this creates the opportunity for more people to watch anybody regardless of whether they know them.

LIVE CONTENT

As the streams are live, children can instantly be exposed to anything inappropriate. Most live streaming apps will have filters, rules and guidelines in place to ensure their services are monitored. They will also have report buttons where inappropriate content will be sent for review. Bear in mind that a report may not be dealt with instantly, which means your child may be further exposed to inappropriate content during a live stream.

RECORDINGS OF YOUR CHILD

Each streaming app and website that allows live streaming has different rules about how they store their live videos once completed. For example, a live stream on Periscope will be automatically deleted after 24 hours, but apps such as Facebook and YouTube allow the video to be posted on the app and will only be deleted once the creator decides. It is important to realise that deleting a video will not stop it from being shared. A live stream can be recorded (or screenshots can be taken) by other viewers using certain software and then shared on other platforms. Research conducted by the Internet Watch Foundation (IWF) discovered that apparently recorded illegal videos of live streams were redistributed on other sites.

WHAT IS YOUR CHILD WATCHING?

Live streaming apps don't just allow children to stream their own videos, they can also watch other people's streams. Anything can be streamed at any time and any place, including violence, graphic imagery, nudity, illegal behavior, drug use, profanities etc. Most live streaming apps claim to monitor live streams and will take action to stop any that do not adhere to their guidelines. However, with millions of live streams each day, it is extremely difficult to monitor them all.

GROOMING

There have been recent reports of paedophiles coercing children as young as three on live streaming apps. Due to the anonymous nature and lack of identification needed to sign up to some apps, almost anyone is able to sign up and use the service. Users can use fake identities to sign up to the apps and watch/stream videos. Recent research by the IWF revealed that children may be asked to do things and perform 'suggestive acts' during their live stream by strangers.

Top Tips for Parents

BE PRESENT

In a recent three month study by the Internet Watch Foundation (IWF), 96% of streams showed a child on their own, often in their bedroom or bathroom. If your child is going to conduct a live stream, ask them if you could be present for it. This will give you a greater knowledge of what your child is doing during their live streams and who they are streaming to.

PROTECT THEIR PERSONAL INFORMATION

Your child may unknowingly give away personal information during a live stream, including their location. Talk to them about what constitutes 'personal information' and make sure they do not disclose anything to anyone during a live stream, even to their friends. Advise them to remove any items in their live stream (school uniform, street name, posters etc) that could potentially expose their location or personal information.

TALK REGULARLY WITH YOUR CHILD

Ask your child which live streaming apps they are using and how they are using them. Are they watching live streams or making their own? What types of live streams do they like watching? If they are under 13, it is strongly advised that they are not using any live streaming apps due to the dangers involved, but you may feel that they should not be using the apps even if they are over the age limit. With live streaming being such a popular feature on apps, it is important that you are aware of the dangers associated with it in order to protect your child effectively.

PRIVACY SETTINGS

Each live streaming app will have its own privacy settings with options varying from platform to platform. Generally, we advise that your child's account is set to private. This will ensure that only their friends/followers will see their live stream. It is important to check each app to ensure that the privacy settings are in place to protect your child from strangers viewing their streams and engaging in conversation with them. The settings on most apps will allow you to turn off the chat feature during a live stream, restricting conversations, but live chat is part of the 'fun' when it comes to live streaming.

PROTECTING THEIR ONLINE REPUTATION

What your child does now may affect their future opportunities, and it is important that they have a good understanding of this. As the videos are live, it may lead to the misconception that whatever happens in the video will disappear once the live stream ends. This is incorrect. Tell your child that their live streams cannot be undone and this has the potential to affect their online reputation.

REMOVE LINKS TO OTHER APPS

Some live streaming apps/websites give users the ability to link and share the content through other social media platforms to share their video further. For example, a live stream on Periscope, can be shared on Twitter and Facebook during the stream if the accounts are connected. While it may seem like a good idea to show the video to more people, the privacy settings may differ on each app, opening up the potential for unwanted viewers to join the stream. We suggest checking the privacy settings on each app and where possible, only streaming on one app at a time in order to have greater control over who sees the live stream.
