## General Data Protection Regulation (GDPR)

On the 25th May 2018, the General Data Protection Regulation (GDPR) will replace the Data Protection Act 1998. The GDPR requires public authorities and businesses to identify the lawful basis for storing personal data, audit information we already hold and take a 'data protection by design and default' approach to personal data.

It also introduces new individual rights relating to personal data, such as the right to erasure or the right to rectification.

Due to this, it is important that we keep comprehensive and up to date records on our students and their contact information. This is particularly essential in times of an emergency or where a school wide message requires your attention.

To learn more about the General Data Protection Regulation, please visit the Information Commissioner's Office website on <http://ico.org.uk>

The sun is out ... we're hoping it stays ... but please remember to pop a waterproof jacket in their school bag so it's there when the weather decides to change!

As the sun is out please remember to apply sun cream to your child BEFORE they come to school – please DO NOT send sun cream/spray into school – there are children who may have an allergic reaction if they come into contact with sun creams.

Please remember to wear school shoes and not open toed sandals / crocs – they're not safe for the school yard

Music Tuition starts on Monday 23<sup>rd</sup> April so please make sure your child brings their Guitar/Keyboard

## SPARE CLOTHES

**Have you borrowed clothes from school? Have you remembered to return them?**

**We're running particularly low on boys trousers ...**

**Fun, Respect & Friendship – Every child matters to us**
