

<b>TERM:</b> Summer 2 2019	<b>CLASS:</b> Year 2	<b>TOPIC:</b> Various
----------------------------	----------------------	-----------------------

<b>ENGLISH:</b> In Literacy, we will be looking at recounts, non-chronological reports and books by the same authors. We will continue to have a weekly spelling test on a Friday as well as a weekly grammar lesson.	<b>MATHEMATICS:</b> Our focus this half term will be capacity, time, money, shape and problem solving as well as filling in any areas of the curriculum not covered or areas that need revisiting.	<b>SCIENCE:</b> In Science we will be looking at the properties of materials and how materials can be changed, looking at reversible and irreversible changes. We will also be looking at super scientists.
<b>COMPUTING:</b> The children will be looking at communicating using ICT.	<b>HISTORY:</b> This half term we will looking at women who made a difference. We will study the lives of people such as Mary Seacole and Elizabeth Fry.	<b>GEOGRAPHY:</b> We will look at going on safari to Kenya. This mainly focuses on the climate in this country and seasonal and daily weather patterns and comparing it to the UK.

## Fun, Respect & Friendship – Every child matters to us

<b>LANGUAGES [FRENCH]:</b> Not applicable in Key Stage 1	<b>P.E.:</b> The children will continue to tennis on a Thursday afternoon with Grant. We will also be looking at tactical games. Please ensure children have a PE kit in school at all times, including warm clothes and outdoor trainers on both days when they will go outside for PE.	<b>R.E.:</b> We will look at places of worship across the different religions.
<b>MUSIC:</b> Our topic this half term will be looking at music today focussing on songs we like.	<b>ART &amp; DESIGN:</b> In Art we will look at 'pointillism' and the work of the artist Georges Seurat.	<b>DESIGN &amp; TECHNOLOGY:</b> In DT we will be making hospital beds with wood, practising our sawing and joining skills.
