

<b>TERM:</b> Autumn 2 2018	<b>CLASS:</b> Year 3	<b>TOPIC:</b>
----------------------------	----------------------	---------------

<b>ENGLISH:</b> Aiming to inspire children to read and write like an author, English will be taught through a love of books and will cover various aspects of fiction, non-fiction, poetry, spelling, punctuation and grammar (SPaG) during the term.	<b>MATHEMATICS:</b> Will be taught in an exciting, motivating and interactive way for children to become competent mathematicians developing skills in mental calculation, using and applying number, measures (time and clocks), shape and space and data handling	<b>SCIENCE:</b> Following a Circus theme, children will be investigating how some forces need contact between two objects and start to understand ways of increasing and decreasing the effect of friction. Comparing magnets, children will also discover how they attract or repel and some of the materials they attract.
<b>COMPUTING:</b> Class Democracy Children will be selecting, using and combining a variety of software on a range of digital devices to design and create a range of programs to present data and information.	<b>HISTORY:</b>	<b>GEOGRAPHY:</b> Children will be going on a journey around the world, learning locational language to describe locations around the world. Investigating how food is produced, traded and transported and how fair trade organisations help farmers.

## Fun, Respect & Friendship – Every child matters to us

<b>LANGUAGES [FRENCH]:</b> Building on our knowledge of France, children will be learning set phrases to talk about themselves and ask others for personal information. We will also be learning to count to twenty and simple weather phrases.	<b>P.E.:</b> Mrs Burroughs will be coming into school every Friday to teach us basic movement and skills, developing running, balance, agility and coordination. This term we will be developing our gymnastic skills and continuing our swimming lessons every Tuesday.	<b>R.E.:</b> Following on from signs and symbols and their meanings we will be looking at how and why Hindus celebrate Diwali.  We will also be thinking about Christmas as we prepare for our school carol service.
<b>MUSIC:</b> We will have a specialist teacher coming into school to teach us how to play the violin. We will learn basic chords and songs. We will also be learning assembly songs and Carols for Christmas.	<b>ART &amp; DESIGN:</b> Immersing ourselves in the beauty of nature, children will be introduced to a variety of plant-themed artworks created by famous artists, and encouraged to express their opinions of them. Making careful observations, mixing different tints, shades and tones of colour and creating the illusion of depth within a picture.	<b>DESIGN &amp; TECHNOLOGY:</b>
