## £££ Payments £££ Payments £££ Payments £££ Payments £££ Payments £££

Please don't forget to put your Morning Club / After School Club payments in the black boxes by the doors – if money is handed into the school office it is presumed that it is for swimming / trips etc. and counted when Mrs Lowes has time.

Please remember you can also pay online using ParentMail for After School Club – it's quick, easy and takes out the child forgetting factor!!

### E-Safety:

#### Minimum age limits:

Most social networking sites and apps are based in the US and under privacy laws in this country; you have to be 13 years old to register. There is no legal violation if you use these sites or Apps, if you are under 13. The only rule you are breaking is the terms and conditions set up by company that owns the site or App. Many children have become savvy to this and use sites below the age of 13.

The important issue around this is that they can then put themselves in potential danger as predators can target them when using these sites or Apps. With the development of video streaming and photo Apps, children need to be aware of the pitfalls.

Also, parents need to be aware of back channelling which is when conversations take place alongside an activity e.g. playing video games
