Swimming—Pre-Reception/Reception Year 1 and Year 2

Our youngest children started their swimming lessons this week for the remainder of the Summer Term and it was extremely impressive to see how confident they were in a new learning environment. Many thanks to the parents for helping the children be prepared for this new experience.

Book Fair (Monday 29th April to Friday 3rd May)

Early in the week we sent home the brochure of books which will be available for children and families to purchase at the end of the school day.

These are at a substantially reduced price with a wide range of genres available. It would be greatly appreciated, where possible, if the correct amount of change could be used the school does not keep any cash on the premises. A percentage of the purchases made is returned to the school to enable us to increase our range of books for the children to select from the school library and in-class reading areas.

Remember if you feel you may be entitled to a Free School Meal it is worth applying online at the NCC website. All you need is your national insurance number and date of birth. Whilst children in Reception, Years 1 and 2 receive a free meal under the Universal Meals scheme this ends at Year 3. However, income based Free School Meals continue beyond year 2 and also entitle you to 50% off the cost of school visits.
