E-SAFETY... Have you heard about ... Online safety?

Cyberbullying is when someone uses technology, like the internet or a mobile phone, to deliberately hurt, humiliate, harass, intimidate or threaten someone else. It is different from bullying at school or in the community because it can happen at any time of the day or night and it may feel like you can't get away from it. This may leave you feeling scared and unsafe at home.

Bullying.co.uk is a website where trained counsellors can support you if you are being bullied, either by chatting online or by calling their free helpline. You can also find some top tips on how to stay safe – <http://www.bullying.co.uk/>

Child Line also have a website which has advice on many different topics but you can also speak to someone online <http://www.childline.org.uk/talk/Pages/Talk.aspx>

Another useful website for keeping yourself safe online is <http://www.thinkuknow.co.uk/>

Musical Roots – Alnwick Garden – Year 3 & the ceilidh band

On Tuesday morning our Y3 violinists and ceilidh band performed at the Alnwick Garden along with other local schools. Mr Phillips was extremely proud of their musical skills and the audience very appreciative.

WHAT IS BULLYING?

A definition of bullying

There is no legal definition of bullying. But it is usually defined as **repeated behaviour** which is intended to hurt someone either emotionally or physically, and is often aimed at certain people because of their race, religion, gender or sexual orientation or any other aspect such as appearance or disability.

PLEASE THINK CAREFULLY BEFORE ACCUSING ANYONE OF BEING A BULLY or BULLYING
