**Sports Skills After School Cub—update**

Unfortunately we will not be able to offer a Sports Skills After School Club after school on a Tuesday. Many thanks to those families who have expressed an interest and we have been in contact with them directly. However we only received 10 responses and we require a minimum of 16 children to take part to make this offer financially viable. Should more families express an interest in the future we will review this offer.

**National Handwriting Day**

On Tuesday the children discussed the importance of trying their best to present their work to at the highest possible level they can achieve. It would be great to see the children trying especially hard this week to present their homework with their very best handwriting.

**Be You Newsletter**

The Northumberland Mental Health Support Team issued their first newsletter specifically written for parents this week which we forwarded via parentmail earlier in the week. We hope you find it useful and we will forward other letters as soon as they are received.

**Class Assembly Dates**

Please check the Dates for the Future section of the newsletter with the dates of the class assembly where the children will spend approximately twenty minutes sharing some of their learning from this year with families.

**Statutory Test Dates**

Please note the dates for children's tests as these apply to Years 1,2,4 and 6. Should children be absent on these dates the tests will be completed on their return. Parental support is extremely important and we ask you to encourage your child to read and practice their multiplication facts as often as possible.

Tuesday: Sausage roll and waffles. Cheesecake

Wednesday: Roast Chicken, Yorkshire Pudding and veg. Ice-cream roll
