

Fun, Respect & Friendship – Every child matters to us

Shilbottle Primary Newsletter

Week 19 – 8 February 2019

For your support when we had to close school because of the weather and then the drains ... hopefully there will be no more days in the near future like the 2 we have had recently!

STAR OF THE WEEK

RECEPTION: Archie S
YEAR 1: Lucas A
YEAR 2: James P
YEAR 3: Sophie M
YEAR 4: Euan R
YEAR 5: Sian G
YEAR 6: Finlay Mc

PRESENTATION AWARD

RECEPTION: Julian S
YEAR 1: Ivy-Mae P
YEAR 2: Maia R
YEAR 3: Brendan A
YEAR 4: Michael G
YEAR 5: Noah P
YEAR 6: Sian Mc

P.T.A of Shilbottle Primary AGM

Wednesday, 13 February 2019

6:00 p.m.

The Haven Community Centre

😊 ALL WELCOME 😊

PLEASE check class dojo for your parent appointment times – the teachers have messaged you with the times 😊

Friendly Frogs Pre School Nursery

Do you have a child or know someone who does [aged 2 – 4 years] who is ready for Pre-School Nursery? A small number of spaces are available so ... call in and have a look!

Children younger than 2?

Have you put their name on Friendly Frogs waiting list to secure their place?

HEAD TEACHER AWARD

Noah H, Cameron H
Jasmine H

ATTENDANCE WINNERS THIS WEEK

Y1 PUPILS

Remember ... Keep checking our School Website Facebook & Facebook Pages 😊

Fun, Respect & Friendship – Every child matters to us

Shilbottle Primary Newsletter

Minecraft is played by millions of children around the world, who use their imagination to build three-dimensional worlds with virtual building blocks in a digital, pixelated landscape. It is classed as a 'sandbox game' which means players have the freedom to build their own creations with 'blocks' they collect and also have the opportunity to explore other people's creations with their characters. Players can choose from thousands of different 'servers' to join, which are created by other players, making every experience of Minecraft unique.

Minecraft has approximately
74m
users each month

AGE RESTRICTION

10+

What parents need to know about MINECRAFT

GROOMING

As the majority of users who play Minecraft are children, this makes it an 'appealing' gateway for groomers. It has been reported that some users have created worlds in Minecraft to lure young people into a conversation to ask for explicit photos. There have even been more serious cases in which children have been persuaded to meet these people in real life.

COMMUNICATING WITH STRANGERS

Minecraft incorporates thousands of servers to choose from which are a single world or place created by the public and allow users to play the game online or via a local area network with others. No two servers are the same and each has its own individual plug-ins which are controlled by the creator. This means that some servers will allow communication with strangers.

AGE RESTRICTION & 'FANTASY VIOLENCE'

According to the 'Entertaining Software Rating Board' (ESRB), Minecraft is suitable for users aged 10+. Due to its 'Fantasy Violence', the ESRB states that this rating has been given as 'players can engage in violent acts such as setting animals on fire and harming them with weapons. Mild explosions are occasionally heard as players use dynamite to fend off creatures and mine the environment.'

CYBERBULLYING & GRIEFING

In multiplayer mode there is a live chat feature which allows players to talk to other players through text. This chat functionality includes basic filtering to block out external links and offensive language being shared, but varies between each server. Griefing is when someone purposely upsets another player during the game. This can be done by ruining somebody's creation or generally doing something to spoil gameplay for another. Essentially, 'Griefing' is a form of cyberbullying and can be extremely frustrating for players.

VIRUSES & MALWARE FROM MODS

There are several websites that offer downloadable 'mods' which modify gameplay in a number of ways. Most of the mods will be safe to use, but as they have been created by the public, they will often contain viruses that can infect your child's device and potentially try and find personal information about you or your child.

CHILDREN MAY BECOME ADDICTED

As with other games, Minecraft is a game where players can keep returning with constant challenges and personal goals to achieve. Children may find it difficult to know when to stop playing, becoming absorbed in the game and losing track of time.

National Online Safety

Top Tips for Parents

DISABLE OR MODERATE CHAT

To avoid potentially inappropriate comments in a live chat, you can follow these steps to turn live chat off: 1. Select 'Options' 2. Toggle the Chat button to 'Hidden' or 'Commands Only'. Bear in mind that the chat feature is also where your child can enter commands during the game, so this may restrict their game play.

SCAN 'MODS' FOR MALWARE

Minecraft 'mods' add content to games to give extra options to interact and change the way the game looks and feels. However, although 'mods' can bring fun for a child, it's important to consider that downloading and installing 'mods' could potentially infect their device with a virus or malware. In 2017, security company Symantec stated that between 600,000 and 2.5 million Minecraft players had installed dodgy apps, which hijacked players' devices and used them to power an advertising botnet. Install a malware scanner on every device that your child plays Minecraft on and make sure it's regularly kept up-to-date.

SET TIME LIMITS

With 'Gaming Disorder' becoming an official health condition, we suggest setting a reasonable time limit when playing Minecraft. Parents can use parental controls on devices to limit the time a child plays games. It is worth having a conversation with your child to understand which 'mode' they are playing the game. This may help you decide on the amount of time you would like them to play. For example, a mini game will have an 'end', but this will depend on how long the game creator has made the game last. In 'survival mode', the game has no end and as there is no goal to be achieved other than the child's own e.g. after they have built something.

MONITOR YOUTUBE TUTORIALS

Many Minecraft users turn to 'YouTube' for video tips on improving their game play and discovering new techniques. Although many videos are age-appropriate, some include sexual references and bad language. We suggest watching Minecraft tutorial videos together with your child. If your child is under the age of 13, we suggest installing 'YouTube Kids' which provides a safer platform for children to safely find the content they want.

PLAY IN 'CREATIVE' OR 'PEACEFUL' MODE

Even though the age limit is 10+, Minecraft can be quite overwhelming at times, especially for younger players or SEND children. We suggest restricting your child to play in 'creative mode' or 'peaceful mode' which takes away the survival element and removes the 'scariest' monster/zombie characters.

CHOOSE SERVERS CAREFULLY

To protect your child from engaging in conversation with strangers, advise them to only enter servers with people they know and trust. Your child can also create their own multiplayer server and share this with their friends, which is safer and more controlled than joining a stranger's server.

MULTI -SKILLS FESTIVAL for YEAR ONE and YEAR TWO – 14 February 2019

3:30 – 5:00 p.m.

Mrs Burroughs who teaches P.E. every week in Key Stage 2 has arranged for a multi-skills festival after school for Year 1 and Year 2 pupils in Shilbottle, Hipsburn, Felton and Swarland. The festival is being held at The Duchess' High School in Alnwick [where our children usually attend secondary school] from 3:30 – 5:00. There will be dribbling skills, agility ladders, mini hurdles, speed bounce, standing long jump, throwing and catching skills, throwing into a target, and some hand-eye coordination skills. We have joined in with all of the KS2 festivals and it would be great to have a group from Key Stage One representing Shilbottle Primary ☺.

As with all after school sporting activities we are unable to arrange transport for your child although a member of Shilbottle school staff will be at the High School to meet you.

Please read and complete the form on ParentMail and let us know whether you are coming.

OUTSTANDING PAYMENT ITEMS

Can I please ask you to check your parent-mail for any outstanding items that you may have - this needs brought up to date before we break up next week, all of which can be paid on-line this will include:

School Lunches, Swimming, Skipping Festival, and Music.

PARENTMAIL

When I send out text's my report shows that we still have a few parents contact details coming up as failed or unconfirmed. If certain mobile numbers are not in use please can you delete from your Parent-mail account. Making sure your new details have been applied.

Thank you!

Year 5 & 6 are **outside for P.E.** [rugby] on a Thursday afternoon – they were reminded the night before that they would need their outdoor kit and shoes ... most of them did a really good job at remembering to bring the right clothes and footwear this week rather than rely on the spare box [which wasn't there] – Let's see if EVERYONE can remember next Thursday!

After School

February 2019

Monday	Karate Ensemble	R – Y6 Y3 – Y6
Tuesday	Football Coding Club	R – Y5 R – Y6
Wednesday	Art Lego	Y5 – Y6 R – Y6
Thursday	Volleyball	Y3 – Y6
Friday	Street Dance	R – Y6

After school clubs are on as normal in the last week of this ½ term ☺

Remember ... Keep checking our School Website Facebook & Facebook Pages ☺
