E-Safety : Guide to managing screen time ...

Please read the **Guide to managing screen time for parents** which has been sent on ParentMail

1. Set a good example with your own device use
2. Have discussions about the risks that they may face based on their online activities
3. Put in place a family agreement and agree an appropriate length of time they can use their device
4. Help them build critical thinking to understand that some features on platforms are design to keep you watching or playing
5. Encourage them to switch off auto-play on platform to remove the temptation to binge on programmes
6. Use tech tools and parental control to manage the time they spend online and the apps they use
7. Get the whole family to unplug and create 'screen free' zones at home
8. Together find apps, site and games that will help children explore their passions and make screen time active
9. For younger children find ways to combine touch screen use with creative and active play
10. Encourage children to self-regulate the time they spend online and
