Shilbottle Girls Football

This week two U11 teams entered the School Games Qualifier for Girls football. For many of the girls it was their first competitive match for school and while neither team were in the top 3 it was fantastic to see 20 girls playing football in the true spirit of the game ☺ Mr Phillips will be organising some friendly matches for the girls team during this school year – watch this space!

Basketball Festival – 25 October

24 pupils, making 4 teams entered the Basketball Festival at DCHS ☺ Great speedy play was seen on all teams. Unfortunately, we were beaten [twice] in the finals by a strong Hipsburn team ... it is the taking part that counts!

E-Safety : Online safety tips for parents of primary school children

Please read the **online safety tips for parents of primary school children** which has been sent on ParentMail

Learn about it: Teach your child some simple rules

- Make sure your child knows not to share personal information like their phone number or email address online
- Only talk to real life friends or family if they are on sites with a social media element like Moshi Monsters or Club Penguin
- Use privacy settings wherever they exist to keep their information private
- Be a good online friend and don't say nasty things even if it's just a joke

Talk about it: Tips for a meaningful conversation

- Start conversations when your children won't be embarrassed, for example in the car going home from school
- Ask them for advice on how to do something online and use this as a conversation starter
- Make sure they know they can come to you if they're upset by something they've seen online
- Be sensitive and praise them when they share their online experiences with you

Fireworks

Fireworks light up the sky and they are incredibly exciting.

Fireworks are safe if they are used properly. However, adults and children are treated in hospital for firework injuries every year.

Always follow instructions carefully, so that you have a safe and enjoyable time.

Equality and Diversity Week

This week we have been promoting equality and diversity. We have been showing the children that people have differences. We as good citizens should respect that individuals or groups of individuals should not be treated differently because of their differences. We should aim to respect, recognise and value people's differences. The children have had some wonderful experiences from this week including an assembly from John & Leslie talking about visual impairment and workshops from Cloud Singh and what it means to be Sikh.
