E-Safety How to stay safe online

The internet is great fun but it does have dangers and we want you to be safe online. When you join a chatroom you'll find people are very friendly but the person you are talking to might not always be who they say they are.

People can pretend to be your age and unfortunately there have been cases where adults have pretended to be teenagers and lured young people into meeting them in dangerous situations.

Bullying UK has had experience of young people using the internet who have been persuaded into dangerous situations by adults. This is an offence called 'grooming'.

Internet safety tips:

- Never give out your real name
- Never tell anyone where you go to school
- Only meet someone from a chatroom in a public place with one of your parents or another adult. If they are genuinely who they say they are they will be happy to do this
- Never give out your address or telephone number
- Never agree to meet anyone from a chatroom on your own
- Tell an adult if someone makes inappropriate suggestions to you or makes you feel uncomfortable online

STAY SAFE on BONFIRE NIGHT
– find an organised display ☺
