Water Bottles

We encourage children to drink water regularly and would appreciate it if you could ensure your child has their own water bottle each day. We recommend bottles have your child's name on it, no matter how unique you think it may be it is highly likely someone else will have the same! Only plain water, not squash or sparking, is allowed in school.

School Cloud

Next week teachers will be carrying out our first virtual (online) parents meetings. Reminders are being sent today via Dojo for parents who have not yet registered or informed us they do not feel the need for a meeting. End of year reports will be issued during the last week of the school year.

Euro 2021

During international and European competitions we allocate teams to each class to encourage them to learn more about a range of other countries. At the end of the competition the class with the winning team are given a treat. During the competition children will be learning facts about their countries such as flags and capital cities. If you want to help your child follow their teams the table below shows which countries have been allocated to which class.

Reception	Years 1&2	Years 3&4	Year 5	Year 6
France Austria Finland Belgium	Turkey North Macedonia England Czech Republic Scotland	Netherlands Slovakia Portugal Croatia Ukraine	Wales Switzerland Denmark Poland Sweden	Italy Hungary Spain Germany Russia
