Water Bottles

As the weather begins to improve (hopefully!) it is increasingly important that children remember to bring their water bottles to school with them to keep hydrated. Please note we only allow water and no juices as this can cause damage to teeth and is more difficult to clean up should there be any spillages.

Suncream

Can you please check that your child's suncream doesn't contain any traces of nuts as we have children with allergies.

St James' Church

Seek and Find

Seek and Find is an area of discovery and activity for children. Adults are welcome to join in too.

The wall frieze sets the theme.

Find the stories in the books and have fun with the activity sheets, which help you think more about the stories.

The resources can be found on a pew at the back of the church.
