E-Safety *M is for...MovieStarPlanet, Moshi Monsters, Malware and Megabyte*

MovieStarPlanet: An online game aimed at children. The game is set in a social universe with a movie star theme, and is described by the site itself as 'a safe, creative, social online playground for children'.

Moshi Monsters: This is an online world of adoptable pet monsters, of course! It's aimed at children aged 6 to 14, and (bizarrely) there are more than 80 million registered users worldwide. Kids choose from six virtual pet monsters, then raise them, look after them, and take challenges with them. They can also interact with their friends online. Thanks to their online success, the Moshi Monsters have escaped offline; they can even be found in McDonald's Happy Meals.

Malware: A portmanteau of malicious (or malevolent) software, malware is simply software that is intended to damage or disable computers or computer systems. Malware is constantly under development and it changes as technology does. Viruses are the best-known category; there are also 'worms', 'Trojan horses' and others. Malware is the reason we have firewalls and antivirus security software (but they won't stop everything).

Megabyte: The megabyte (MB) is around a million bytes – but it has three different values depending on the context of its use. You can fit about six seconds of uncompressed CD audio, or a typical English book volume in plain text format, into one megabyte's worth of data.

Christmas will be here before you know it ... we hope you have already got the dates in your diary ☺

Reception, Year 1 and Year 2 will perform their nativity play twice...

Monday, 19 December @ 2:00 p.m. [TBC] for families with toddlers

Tuesday, 20 December @ 2:00 p.m. [TBC] for adults only

Our **Year 3, Year 4, Year 5 & Year 6** pupils need to be at church on Tuesday, 20 December by 5:45 p.m. for their carol service. We expect the church to be open from 5:15 [TBC] for adults wishing to have a pew!

Lest We Forget.

£249.42 was raised by our pupils for the poppy appeal.

Thank you so much for your support!

LAST FEW DAYS ...

NOVEMBER NUMERACY CHALLENGE 20 – 26 November 2017

How many points can you score in the competition this week?

Could be a great way to get some extra points or certificates ...

Remember ... Keep checking our School Website Facebook & Facebook Pages ☺
