PTA

On Wednesday evening we held a PTA meeting to discuss continuing the excellent work we achieved prior the pandemic. As we are all hoping things are showing signs of returning to normal we will be writing to you soon with regard to our hopes and plans for the coming year, including the Jubilee celebrations. In the meantime it would be appreciated if you could give some thought as to whether you can volunteer at events and what time you may have spare. We are hoping to create a list of parents and their availability to help us plan for the future.

Current COVID-19 Rules

Please check your parentmail on a regular basis to ensure you are up to date with the latest guidance.

As the guidance changed on Monday 17th (please see letter sent earlier in the week) any children who test positive can now return on day 6 as long as both the day 5 and day 6 (taken in the morning) are negative. If either are positive they should continue to test until two consecutive negative results are shown at which point they may return to school immediately. If they continue to be positive until day 10 they may return on day 11.
